EAGLE

Ashley,

Just a few more weeks and you want
be around W. C. H. S. to pester the life
out of everybody. Before you came I
had heard lots of people talk
about you (don't get concited) but
you sure do act different than I
expected. Your smile is always there to
brighten anyone's day. I think
you surprised everyone in football
to and made everybody wonder if
it were really you out there on the field.

Honestly, though, you're a great guy
and deserve the best in everything.

Try hard and I know success will be
yours. Good luck in everything you undertake
to do.

Forever,

June B.

Ashley,

Although I've only known you for about
eight months, it's really been a pleasure.
You're one of the nicest boys I've ever
met (you know, besides B. B.) and I think
you're very sweet and cute. I want to
wish you luck in everything you
undertake to do, now and in your
college life.

Votre amie,
Barbara

Dear Ashley,

Only a few more weeks of Trig. I really hate to see it all come to an end. I don't believe Trig. would have been the same without you.

Best of luck always to a great athlete and a friendly guy. May you always have the things you deserve.

Your friend,
Ann Brazil

Ashley, we're really going to miss you next year. I'll really miss you in English - Sit. Ashley, you have a great personality. I'm sure this personality will unlock many doors for you. I hope you have all the happiness possible, because such a nice and good looking person deserves it.

Dear Ashley,
I have really enjoyed geometry this year. (Ma-Ma) - we may not have learned much but we've had fun. May you always have the best of luck -
Dianne K.
(Hollywood)

Dear Ashley, Stay sweet!
Always,
Dorise

It is difficult to believe that in a few more weeks we will not have trig class to "enjoy". I'm sure the world will be much duller not seeing your smiling face every morning. But I won't bore you with my problems.

I know, you are a great guy who deserves the best. May success be yours!

A friend,
Joan Griffin

C.
Ashley,
To one of the best friends a fellow could have. Keep running & nobody can catch you.

Friends always
Denny
(I gno)

Ashley, "Sweetheart"
It has really
been wonderful knowing
you all these years and I'll
never, ever forget some of the
things we have done. I wish I
had a nickel for every mile you've
taken me. I wouldn't need to go to college
if I had that much money, because I'm sure we
will have a lot more to talk about two years
from now. I'm really looking forward to South Georgia.
Love you forever,
Dorothy

Dear Ashley.
I hate to think of going
to school without you. You
are one of the nicest, most
considerate people I have
ever met, and I respect
you for it. Your presence
in a classroom makes the
time fly, and you have added
a lot more to literature than
you can imagine. I wish you
all the success in the world and
if you work hard, you will have
it.
Love Always Susan
Mamm

Ashley, I've only known
you for one short year, but
I have really become fond
of you, and I'm going to
miss you next year. I have
enjoyed those geometry classes
we've had together and wish
we'd had more classes together.
You are a wonderful person,
and will go far in this old
world. You deserve the best of
everything, and I'm sure you're
going to get exactly what you
deserve!! Good luck always.

Love & Luck,
Karna Jean

Dear Ashley,
What would sixth period study hall been without your glowing personality. I have really enjoyed going to school with you our last year.

Good luck at South Georgia. I know you will need it! HA! May you have the best in life always.

A friend,
Mary Holliday

Dear Ashley,

It doesn't seem like so much could be put into one year, as it has in this one, does it?

I don't think I could ever forget you (I wonder why) because you have such a wonderful personality.

You're a Great friend for anyone to have and I wish the best of luck to you, although I know you don't need it.

I'll never forget "you all" teaching me to dance the night of the "sock hop".

Always depend on me as a friend.

P.S. I think you're quite handsome, too.

Lots of Love,
Jane Whittle

April 28, 1944

Ashley, ("Baby")

Well, our "Dear old high school days" are almost gone. It doesn't seem possible, does it? We had some great times at Pioneer High, but I think that all probably stand out even more in our Senior year at Wilcox Central! I'll never forget the basketball games, and especially all the times I spent with the basketball team! It's hard to believe for you, I probably wouldn't have gone to half of them.

Ashley, we've always been the closest of friends and I sure hope we continue to be "real close friends" in our college life, too! I'm really looking forward to being at South Georgia. It will be good having my closest friend down there.

You have one of the best personalities of any boy I know, and with all of the honors you've gotten I'm proud you didn't "throw the big lead." Stay as sweet and good-looking as you are, and I'm certain you will receive everything in life you deserve.

Love you, Pete,
Sandra

Dear Ashley, ("Cotton-top")

It has certainly been lots of fun going to school with you my Senior year. Just four more weeks and our high school days will be over!

You are a great guy with a swell personality. And I must say I admire your "athletic abilities." It's much more fun playing with you, ole buddy, than playing against you!!!

I hope you have all the success life has to offer because with your determination and abilities, you surely deserve it! "That mile is a long way!" A friend always,
Eddie

THE SENIOR CLASS

WILCOX CENTRAL HIGH SCHOOL

Rochelle, Georgia

DEDICATION

A sweet smile, a friendly greeting, and a warm welcome always await those whom they meet. Always ready to understand, to sympathize, to laugh, they have given freely of their time, of their talents, and of themselves.

Never have they been too busy to listen to our many problems. They have led us to great victories, consoled us in our losses, and have offered us the best of moral support and friendship. A gift of spirit on their part which, in countless ways, builds the morale of students and aids them in the quest for learning and good citizenship has meant a greater Wilcox Central.

Mr. and Mrs. Harden have trained and taught us with wisdom, patience, and integrity. Both have made us feel their sincere interest in our development.

With the respect and gratitude that so rightfully belong to them, we dedicate the '64 EAGLE to Mr. and Mrs. Bobby Harden.

APPRECIATION

We, the SENIOR CLASS of 1964, wish to express our sincere appreciation to MR. W. L. CHAMBERS, our principal, for his enduring patience, for his faithful service in supplying our needs, for his interest in each student individually, and for his unusual talent to challenge students to do their best.

Mr. Harden, just what kind of chemistry experiment is that?

Conference, Mrs. Richey?

Jamie, are you ever going to learn that part?

Has the tardy bell rung?

Mr. Ledford, our faithful custodian.

Mr. and Mrs. Harden, that must be an important conference.

HOMECOMING

Homecoming Court at Reception

Sandra was crowned by Shirley, 1962-63 Queen.

That Homecoming Float was crowded, wasn't it?

Oh, Girls, didn't you have a time getting on that float?

Were Betty and Peggy working or playing?

Joan always seems to be giving instructions.

Why so worried, Margaret?

AUTOGRAPHS

Dear Ashley,

It surely won't be the same around here next yr. without you! You're a great guy with quite a personality. I'll never forget you. Remain as you are now and success will always be yours.

Remember me!

Love Always,
Dorinda

Ashley, you are one
of the sweetest, cutest,
and I most athletic boys
I know. You possess
so many other qualities that
make you stand out from
all the others and I won't
ever forget this year or you.
Now I could forget you eating that
"sloppy" lunch I forgot everyday
at 2nd period, or our good times
on the bus. I just hope that you
won't forget me and I pray that
~~we~~ we will see each other after
graduation. Ashley stay as you are
I am sure that you will succeed
you always. May God bless and keep
you always. Love Always
Dail

To a very good friend
Best of Luck
Donald Wells

Ashley,
I think you
are just great,
and school just
won't be the same
without you next
year. Best of luck!
Love
DeLaine

Ashley, You
are the nicest boy
I have ever
known. You are sweet
and very nice. Though sometimes
you are nutty but most of the
time you are sensible. I am looking
forward to going to college with you
and all the fun we are going to have there.
May you have all the luck you deserve, because
you may need it in the near future. May you
succeed in what you try. Best Wishes I will never
forget you.

Love You Always
Anne

Ashley,
I have really enjoyed
playing ball and going to
school with you. I hope
you are better in life
than you are in Baseball.
May you always have the
finest in life and success.
God Bless you!!
a good pal,
M. R.

P.S. - Maybe life won't
be called off!! ha!!

Dear Ashley,
You're just about the
nicest guy I know! I don't
know what we'll do around
this "all school" without you
next year so you had
better come back + visit! O.K!?!
Seriously Ashley you're
just great. You know
how to have a good time
and you have it! I just
hope you ^{don't} create any fights
among those girls at college
with your good looks
and all that stuff.

Maybe someday I'll grow
up so keep your fingers
crossed for me. You're
first in my book any
day and I know
you shall succeed
in any thing you
set out to do. I'm
glad you helped
me get James Darter.
I like him almost
as much as I do you.
Be sweet + behave yourself
at college. Love always.

Ashley,
This place (W.C.H.S.) won't
be the same with out you
next year. I've had loads of
fun playing basketball and running
track with you. You're a real
sport, just having you around
is fun!! Best of luck always.

A pal
Wayne (slim) L.

Ashley,

To one of the
best all-around
fellow and athletes
I have ever known!

Bobby

Ashley,

I hope I can always
be as proud of you as
I have been during your
high school career. Best
wishes always, your friend,
Bob Harder

Ashley,

We have had some great fun together
this year. I wish you + P.H.S. had come
down about three years ago instead of
just our Senior year.

Remember Goldy in Atlanta at the
ALL STAR game, thanks for the field
glasses.

Good luck in College, hope you win
everything there too.

A friend always,
Fred W.

Ashley!
This is from
a horse lover, and a
friend. Good Luck
James Doster

Ashley

Even though I have
known you for a short
time you are one of my
best friends I will never
forget you, and if ever
you have any problem what
is ever and you think I might
could help you with it don't
mind telling on me. Ashley
you are a very nice boy and
have a good personality always
remain as you are now and success
will always be yours. I will
remember to let God have first
place in your life and every thing
else will work out for the Best.

a true friend
Sonny Dorniney
P.S. behave yourself at the
Banquet. and also
